Governing question

Do you have to contradict misinformation — or is there a better way?

Video (≤ 5 min)

Mini Philosophy — "The Bypassing Technique" · 1:29

facebook.com/reel/1160919765939031 (EN, subtitles) · then the live experiment "Tap water is unhealthy."

HMW seed

respond + to misinformation + so that it works and stays fair

Warm-up: dm-quiz QR — ?session=bypassing

The Sprint (30′)

Video + live experiment **5m**

Pick 1–2 exercises (20′)

To discuss: ☐ HMW + #wall + vote ☑ Why it matters

→ Open discussion: denial backfired? When manipulative? Would you use it?

To make it stick: ☐ TRIAD listening ☐ Teach-back

Bottom Line ★ **5m**

Bottom line → Master Checklist

"Before I contradict, I ask: is there something true that points the other way? I say that — if it is true and I would say it openly." — Communication star ★

One card per topic — no new deck. Ever.
